Agency Directory

2026

A guide to licensed adoption agencies affiliated directly or indirectly with Fellows of the American Academy of Adoption Attorneys.

© 2026 American Academy of Adoption Attorneys

Dear Fellow AAAA Members:

On behalf of the Agency Committee, AAAA is very pleased to offer this updated AAAA Directory of Adoption Agencies. This Directory includes updated and new information about adoption agencies which are affiliated with an AAAA Fellow throughout the United States and Canada. Agencies are added once a year and must be submitted by the Academy Fellows affiliated them to be listed. The profiles of agencies included in this Directory are reproduced with information exactly as submitted by the Fellow other than minor editing for formatting.

The purpose of this Agency Directory is to provide other Academy Fellows and members of the public looking for an Adoption Agency with information about adoption agencies that have an affiliation with one or more current Fellows. This Directory does not purport to be a complete listing of all adoption agencies, nor even a complete listing of all AAAA member-affiliated agencies. The information here is limited to those responses received by Academy members.

The Academy does not endorse, sponsor, rate or otherwise formally approve of any adoption agencies. The fact that an agency is listed in this Directory should not be construed as an endorsement of that agency by the Academy. It is strongly suggested that you independently confirm the information listed in this Directory by talking to an AAAA Fellow in your state or the state where the Agency is licensed. Notwithstanding those limitations, we hope that this Directory will be helpful to those who seek information about adoption agencies.
